## 2022 October Skatfest

Friday, October 21<sup>st</sup>, 2022

**Eligibility Rules for Participants:** The competition is open to ALL skaters who are current eligible members of either the Learn to Skate USA Program and/or U.S. Figure Skating. To be eligible, skaters must have submitted a membership application or be a member in good standing. Members of other organizations are eligible to compete but must be registered with the host Learn to Skate USA Program/club or any other Learn to Skate USA /USFS Program/club.

Eligibility will be based on skill level as of closing date of entries. Skaters may skate at highest level passed OR one level higher BUT not both levels in the same event during the same competition. For **Snowplow Sam and Basic Skills 1-8**, NO official U.S. Figure Skating tests may have been passed including MIF or individual dances. For the **Freeskate 1-6 and Well Balanced levels**, eligibility will be based upon highest free skate test level passed (moves in the field test level will not determine skater's competitive level).

**Deadline Date:** Entry deadline is **October 7<sup>st</sup>, 2022**. Visit [www.entryeeze.com](http://www.entryeeze.com) to register. There will be **no refunds after the close of** entries except events canceled by the Local Organizing Committee (rule #3235).

**Late entries may be accepted at the discretion of the competition committee and may require an additional \$30.00 late fee.** We reserve the right to combine groups when applicable and limit the number of entries on a first come, first served basis. Single entrants will be judged against the test standard. Walk in registration will not be accepted. Refunds will not be issued due to weather conditions.

### Competition Information

**Payment:** Visa and MasterCard accepted

**Entry Fees:** \$55.00 first event  
\$25.00 for each additional event.

There will also be a \$30.00 change of event fee if you need to alter your event after the close of entries.

**Music:** Music must be uploaded via Entryeeze 1 weeks prior to the competition. It is the responsibility of the skater to have a backup CD in your possession. Competition officials are not responsible for the condition of your CD.

**Registration Desk:** The registration desk will be open throughout the competition. Skaters MUST check in at least one hour prior to the event. It is not unusual for a warm-up for more than one event to be combined. In addition, events frequently run early, so BE READY with skates on before the event is called!

Point totals will be announced at the conclusion of each competition in our series with a Team Trophy being awarded at the end of the season to the team with the highest cumulative point totals for the series.

**Practice Ice:** Will be provided, if time allows and will be determined after the close of entries and announced on the website.

### GENERAL EVENT PARAMETERS:

The skater will perform the two pattern dances listed for his/her level, based upon the date of the competition. If the competition falls over two quarters (for example, June 30–July 2), the dance will be selected based on the start date of the competition listed in the announcement (in this example, the second quarter).
- Skaters will complete both dances at each level. Dances will be scheduled at the discretion of the chief referee for each competition and may be competed consecutively or with a break in-between pattern dance groupings.

## Interpretive

### COMPETITION FORMAT:

The Organizing Committee must pre-select and edit musical choices appropriate for these events. During the warm-up, skaters will hear the selection of music twice. Following the warm-up, all skaters except for the first skater will be escorted to a sound-proof locker room or another area of the arena. The first skater will hear the music one more time and then perform a program to the music. As each skater performs, the next skater in line will be allowed to hear the music for the third time before they perform to the music. The listening skater will not be allowed to view the performing skater.

Levels: Levels should be broken by ability with ages divided appropriately

Judging Rules: Skaters are judged on originality, pattern, technical (the ability to include jumps and spins) and music interpretation/expression

Spins and jumps performed must be appropriate to competition level.

Time: Music Duration: Pre-Free Skate – Free Skate 6: 1:00 max  
 Beginner – Preliminary: 1:00 max

Coaching: There is to be no instruction allowed during this event from coaches, parents or fellow skaters. Staging area must be kept clear except for ice monitor and listening competitor.

4. The team member performing the element will step forward and execute the skill, with the element first being performed by the skater on team one, then team two, then team three and so on
5. Once all the teams have had their skaters complete the element, the next element will be called
