 1. Suspensions/Match Penalty Hearing
Match Penalty Hearing-

If a player receives a Match penalty and avoids or fails to respond to the PVAHA'S request for a hearing in an attempt to avoid suspension, the league will not allow the player to return to game play and the player will remain as suspended indefinitely until a hearing has been held.

If the PVAHA fails to contact the player within 30 days of the Match Penalty , the league will allow the player to return to game play after the 30 days has expired until such time a hearing has been held and a

suspension has been determined, at which time the player will be suspended to serve the suspension. As USA Hockey Rule States

“If **extenuating circumstances prevent the proper authorities from conducting the hearing** within the 30-day period, the **player** or **Team Official** shall be automatically reinstated after the 30-day period. The failure to offer the hearing shall not prohibit the hearing body from conducting the hearing after the 30-day period and imposing further disciplinary action.”

Avoiding or Failing to respond to PVAHA’s Request for hearing is not considered an Extenuating Circumstance .
